...SPECIFICATION targeted by the advertisement. The preferred transmission time data indicates a time slot (time of day) during which the advertisement should be preferentially transmitted. The \*advertisement\* attribute data indicates a field (\*advertisement\* attribute) to which a product advertised by the \*advertisement\* belongs, and the \*advertisement\* attributes are classified into, for example, cars, insurance, foods and the like.

In order to specify an audience group as a target group of the \*advertisement\*, a sponsor assigns in advance a value representing a weight to each category of each classification of the audience group
